ORIENTATION DAY FOR INCOMING STUDENTS

Exchange students begin the semester at the University with an Orientation Day!

During the Orientation day, the students receive all necessary information's concerning studies and living in Pula. The attendance is compulsory for students. It is usually scheduled throughout second week or semester beginning. For winter semester it is the second week in October and for spring semester second week in March.

ORIENTATION DAY 2021

STUDENT CHOIR

The primary task of the Students' union (SU) is taking care of the rights of each student, trying to solve all problems related to teaching and conducting exams in each study group and to serve as the connector between the faculty administration and the students themselves.

Along with that, SU is focused on the development of the socio – economic status of the students, promotion of science, implementation of projects and organization of extracurricular activities.

SPORT ACTIVITIES

At the Juraž Dobriša University of Pula sport is organized in three units: recreational, competitive and physical education subject course.

Recreational activities are available and free of charge for all University students and the terms when they are conducted can be found in the timetable published on the web page part dedicated to sports. The competitive part implies the participation in domestic and international competitions and tournaments where the most prepared students compete. Since 2005 our students have participated in numerous competitions and achieved top results.

Our teams have competed in international tournaments in Milan, Paris, Barcelona, Valencia, Rome, New York, Belgrade, Dublin, as well as in numerous domestic competitions and tournaments!
